

General Statement of Purpose for Use of Church Property and Facilities

At Collierville United Methodist Church stated hereafter as “CUMC”, we believe that our facilities are placed in our trust and are designed, built, and used for service and mission, and stand for the glory of God. The buildings and grounds are to provide a place for Christian worship, education, and fellowship for all believers. They also exist to help prepare persons to be in ministry in the wider community and world. Whenever possible, the facilities will be available as a meeting place for members, for use by the denomination, and as appropriate, a meeting place for non-profit groups or organizations in the community.

General Qualifications from the United Methodist Church Book of Discipline for use of Church Property and Facilities

The primary purpose of CUMC property and facilities is that it be used, kept, and “maintained as a place of divine worship of the United Methodist ministry and members of the United Methodist Church” (Book of Discipline, paragraph 2503).

The Board of Trustees is charged with supervision, oversight, and care of all the property and equipment of the church. The pastor appointed by the Bishop of the Memphis Annual Conference is granted authority to determine what religious services or other proper meetings of The United Methodist Church shall take place on church property. The pastor may also grant permission to others for the use of the “property for religious services or other proper meetings or purposes” (Book of Discipline, paragraph 2533). Additionally, the Board of Trustees retains responsibility for these guidelines and may modify them in conjunction with the Senior Minister and Church Business Administrator.

Outside organizations and groups request, from time to time, the use of church property for purposes other than religious services or meetings. “Permission can be granted [to use church facilities] only when such use is consistent with the Social Principles [of The United Methodist Church] (Book of Discipline, paragraph 160-166) and its ecumenical objectives (Book of Discipline, paragraph 2533.3).

Generally, those outside organizations or groups that may be granted permission to use church property will be religious or charitable organizations. Groups other than religious or charitable organizations may be granted permission if they are deemed to have a useful purpose to The United Methodist Church, or its members, and to their Christian commitments.

These outside groups or organizations are usually non-profit organizations. Permission will not be granted for any group or organization that jeopardizes the 501(c) (3) status of the church.

Permission to use the facilities of the church may be granted to for-profit organizations if it is in conjunction with a mission, ministry, or program of the church.

Use of the Poplar Sanctuary and the Sanctuary on the Square

Normally, the Poplar Sanctuary and the Sanctuary on the Square are used for worship and religious ceremonies. We do not view them as concert halls or venues. We believe that the Poplar Sanctuary and the Sanctuary on the Square are holy places, open to all, where you would not normally expect to be required to buy a ticket to be admitted.

However, there are legitimate circumstances, such as a church sponsored seminar or learning program, where the Poplar Sanctuary and the Sanctuary on the Square are the only suitable spaces to accommodate the program, and where it may be appropriate to require a registration fee to cover the church's costs for providing the space.

All use of the Poplar Sanctuary and the Sanctuary on the Square for other than worship and religious ceremonies will be approved on a case-by-case basis through the approval process discussed later in these guidelines.

Out of respect for the spaces, and the activities conducted therein, we request that there be no food or beverages used in the Poplar Sanctuary and the Sanctuary on the Square, and that cell phones are not to ring or be used in the Poplar Sanctuary and the Sanctuary on the Square. It is expected that conduct be appropriate and in keeping with Christian principles while using the facilities.

Priority for Use of the Facilities

Priority for the use of the facilities will be given to CUMC and denominational use. The church will make reasonable effort to fulfill approved requests. The church reserves the right to cancel an approved request to use the facilities if it conflicts with a church activity or need. The church reserves the right to cancel an approved request for any recurring non church event with thirty days notice in writing to the designated contact person for the group. The church is not responsible for any cost (financial or otherwise) resulting from the cancellation or rescheduling of a space requested.

Use by CUMC Members for Special Occasions

We believe it is desirable and appropriate for individual CUMC members to want to celebrate special occasions such as anniversaries, reunions, etc. at the church; so the use of suitable spaces may be approved if the church's schedule permits. The individual member will be responsible for all arrangements and return of the space to its normal condition.

Weddings

Use of church facilities for weddings is available to our members and nonmembers. Please see "Appendix J" for the detailed wedding guidelines for members and "Appendix K" for non members. These appendices are incorporated by reference and not included in this document.

Funerals

The church has always supported and encouraged members to have funeral services in the Poplar Sanctuary or the Sanctuary on the Square. Typically there is visitation time with the families for a period of time just prior to the service. A growing trend is for member families to desire visitation time at the church the evening before the funeral service, and we support that wish, provided that care of the body, or cremated remains, are strictly the responsibility of the attending funeral home. The body, or cremated remains must be returned to the funeral home overnight and remain there until the funeral service. The church will only provide appropriate space, and the attending funeral home will be responsible for all arrangements.

Spaces Normally Available for Use

Please see “Appendix I.” for a list of rooms that are normally available for use.

Use of other space will be approved on a case-by-case basis through the approval process discussed later in these guidelines.

Space/Facility Use Request Form(s)

All requests for use of facilities will be made in writing or electronically at www.colliervilleumc.org , with adequate notice, on the appropriate form for church events or non church events. Please see “Appendix A and B” for appropriate forms. Non church groups or individuals must also execute “Building Use Policy” form, please see “Appendix C”.

Any group or individual requesting use of the kitchen must be trained and certified on the kitchen equipment by a designated member of the kitchen committee. A Kitchen Use Agreement form must be signed and a copy will be provided to the individual upon requesting use of the space. Please see “Appendix D” for the agreement form.

Any group or individual requesting use of Coats Hall(gym) are required to complete the “Rules for Coats Hall” form, please see “Appendix E” for form.

Any group or individual requesting use of Recreation Fields are required to complete the “Rules for Recreational Field Use” form, please see “Appendix F” for form.

Outside groups or organizations, individuals, and CUMC individual members will be required to execute a “Hold Harmless Agreement”. Outside groups or organizations will be required to provide a certificate of insurance naming CUMC as additional insured, which will be verified before final approval is given. Overnight groups will be asked to furnish a certificate of liability with CUMC named as an additional insured 30 days prior to use of the space. Please see “Appendix G” for the Hold Harmless agreement.

The Board of Trustees grants permission to the business administrator to modify, if necessary, the appropriate terms/conditions of the request form due to the complexity or timing of any single event. The form is not to be permanently changed without the approval of the Board of Trustees.

Reservations and the Approval Process

A completed Space/Facilities Use Request Form, and other applicable documents, will be submitted at least 2 weeks ahead of time to allow for scheduling and coordination of needs. If the church calendar shows that the requested space is available, the requested use will be submitted for review and approval to the business administrator and the senior minister. Additional agreements may be executed at the discretion of the church management team.

CUMC programmatic requests will be submitted through the administrative assistant. If the request meets these guidelines, space is available, and all logistics are worked out, then final approval may be given by the senior minister and the business administrator, and a reservation will be confirmed on the church calendar.

Non-programmatic requests, requests from individual CUMC members, and requests from a non-CUMC organization, group, or individual will be submitted through the administrative assistant and presented to the senior minister and the business administrator for approval. The senior minister and the business administrator will determine if the requested use meets these guidelines, and the Social Principles and ecumenical objectives of the church. This team meets as needed to consider requests. As stated in the Book of Discipline, the senior minister has the final say in use of the church's facilities.

The senior minister and the business administrator may find it necessary and appropriate to consult with the Board of Trustees before granting permission to use a space.

Outside groups requesting to use the facilities must meet with the senior minister, the business administrator, or the administrative assistant, as determined by the team, to finalize plans for set up and use of equipment before final approval is given.

Fees for Use of Facilities, Equipment, Staff Support, and Custodial Services

The uses of church facilities are on a not-for-profit basis and schedules of appropriate fees to cover facilities, equipment, staff support, and custodial services are determined by the Board of Trustees and made a part of these guidelines.

Events requested by individual CUMC members or by non CUMC groups with over 50 people and/or use of kitchen facilities will require a usage fee and a special event coordinator, listed on "Appendix H".

Fees for all non CUMC recurring events are listed on the facility fee guidelines and paid on a semester or semi annual basis. Overnight group requests will require a \$250 damage

deposit due 30 days prior to use of the space. The deposit will be returned within 30 days after the stay provided no damage is incurred.

The Board of Trustees grants permission to the business administrator to adjust the fees due to the complexity or timing of the event. Additionally, fees may be waived at the discretion of the management team. Please see “Appendix H” for a schedule of fees.
