

Administrative Board Meeting
January 26, 2020

Meeting opened By marie DeLockery at 6:30

Loving:

Lay Leader, Jessica Nichols gave devotional on what worship looks like in the waiting period.
In Planning we must have goals and ambition, setting a vision.

1. We need to be Quite and Trust in Him
2. Remember what God has done in this time
3. Put your confidence and hope into Christ.

God Knows what we needed.

Christy Brown opened the meeting with prayer.

Learning:

Vision was recited and Covenant Scoreboard was passed around. Bob Vornbrock made a motion that the minutes be accepted as written with a Second by John McCarty. Voted to accept as written.

David Atkinson- Our core vision and guiding behaviors should all be based on Scripture. John Wesley centered everything on Scripture.

Love - Begin in worship as your foundation.

Humility - Listen to others

Servanthood - Strive ,seek, do! All with Love- No task is too small

Mission- Reason for Hope that is within all of us

Leading:

Julie Smith brought recommendations from the Columbarium Committee for changes in the wording of the rules and regulations which clarify the ownership of the Niche as PERMITTEE

“For purposes of this Agreement and these rules and regulations, the term “CUMCmember” shall include the person who was a member of CUMC either at the time of execution of the Agreement or at the time of the death of the person.”

And changing the time of contact the church would have with Permittee and Designees for 5 years to 75 years. If after said period of time no one is found the termination of the rights of that niche will immediately made available to a new party.

Discussion over reasoning for changes and a vote was taken on the recommendation with consideration to bring it back for further changes should the committee decide it to be necessary.
Vote passed

Preston Carpenter- Finance committee- Budget on file in Church office

There will be a 2% Reserve put back for insidentals that are not in the budget.

Pastors report:

David Atkinson
Matthew 24

Watch out that you are not mislead.

General Conference- There is Hope! We will have a United Methodist Church at the end of the day. This church has been in mission and ministry for 150 years. Do not be alarmed. We will have a town Hall Meeting in Feb. To discuss 5 plans with one of them in the process of being written as we make our plans for this meeting.

The constitutional changes cannot be changes without a 2/3 vote to make a change in the constitution. All votes, all over the world have to be at least 2/3 vote of total to make a change.

There is a possibility that after all is said and done we could end up exactly where we are now.

Core Values are shared in the world around us.

Be at Peace. Keep yours eye open.

Dismissal at 8:00 with prayer by Deborah Suddarth

Respectfully Submitted,

Jeffrelyn Arterburn
