Next Steps ...

1. Make a list of high and low moments throughout your life from childhood to today. For example: the loss of a loved one (low) or starting your first full-time job (high), etc.
2. Then pray over each of them to see where God's hand might have been in each situation (in retrospect) or where God sent someone to walk with you.
3. Take some time to reflect on how God has intersected in your life throughout the years.
